

Software Developer

zanettofaustino@gmail.com

+54 2914124258

Bahia Blanca, Argentina

Date of birth

10 Feb 2003

Nationality

Argentinean

Faustino Zanetto

Profile

Passionate about computers and technology since little. Proficient in **problem-solving** and **programming** in various languages and scenarios. Capable of developing a project from the ground up and deploying it using the newest technologies such as **Docker** and **CI**. Solid understanding of the **React** ecosystem and various technologies that rely on it. Always in the process of learning and improving both my soft and hard skills to become a better version of myself and deliver the best products and services.

Education

**Bachelors Degree in Computer Science,
Universidad Nacional del Sur, Bahía Blanca,
Buenos Aires, Argentina**

01/2021–Present

Currently attending, expected to graduate on 2026.
